At Work in Zoology Lab

The aim of Stephen F. Austin State College is to broaden and enrich the lives of its students mentally, physically, spiritually, and socially through classes, a balanced sports program, religious organizations, and social events. These form the nucleus of SFA, and in this book we have attempted to present a true picture of these school activities for the year 1951-52.

At the Information Desk

Each school year begins with registration — the day every student selects his courses, meets his instructors, and gets acquainted with a confusing number of other students who will probably become his best friends before the year is over.

Waiting for Registration to Begin

This year's registration was marked for the first time with a three-day guidance program for Freshmen during which counsellors helped each student plan his schedule and become familiar with the campus.

Social and professional clubs on the campus keep the student's life filled with gay and festive events — events which will never be forgotten by any participant in them. Beginning with an informal get-acquainted dance in the S.U.B., followed with the homecoming parade and teas, and highlighted with eight Christmas dinner-dances and the presentation ball, the clubs help keep the students busy and happy throughout the year.

Yes, this has been SFA in 1952. From the day of registration, through classes, sports events, and club activities, each day has been full. This has been a year we will never forget, a year which has brought a deeper love for our college to every student, and as a result we can all earnestly sing, "Oh, future bright 'neath the purple and white, all hail to SFA."

THE BOARD OF REGENTS

PRESIDENT EMERITUS

Loved and admired by all who know him, Dr. A. W. Birdwell, founder of Stephen F. Austin State College, is recognized as one of the leading educators in the country. He has given sound advice to thousands of young men and young women, and his counsel is still sought by the school men of East Texas.

His entire life has been dedicated to improving the minds of young people, and it is he who has guided S.F.A. to its present high scholastic standards. It can truthfully be said that Dr. Birdwell is really "Mr. S.F.A."

DR. A. W. BIRDWELL

PRESIDENT OF THE COLLEGE

DR. AND MRS. PAUL L. BOYNTON

THE PRESIDENT'S MESSAGE

Contrary to what some may think, a college degree is not a passport to either the State of Success or the State of Reduced Effort. At best, a degree from a strong, fully accredited college, with a highly trained, experienced, efficient, conscientious instructional staff, a college such as Stephen F. Austin State College, is little more than a public statement to the effect that the one who holds this degree is capable of working hard and wisely in the pursuit of worthwhile personal and social goals.

To those of the graduating classes of 1952, the faculty and staff of Stephen F. Austin State College extend the very best of wishes. We hope for each of you ample opportunities, throughout a long life, for full, vigorous, persistent, and wise work. We wish for you, in other terms, the opportunity to capitalize on your potentialities. Ours has been a real privilege to have had the chance to work and associate with you. As members of our family, we are intensely proud of you, and ambitious for you. So, if occasion arises in the future where we can help you, we want you to call upon us. Nevertheless, we know that in large degree your future will be written by the pen of your own diligence and understanding. That this future may have the beauty of a lyric, the dynamic appeal of a drama, the purposeful plot of an epic, and the successful ending of a melodrama is our hope.

EX-STUDENTS' ASSOCIATION

Since its organization in 1928, the Stephen F. Austin Ex-Students' Association has maintained the standards of encouraging good fellowship and loyalty among former students of this institution and to promote the general interests of our college.

Homecoming held each fall during football season provides the main function of the year. All former students are urged to return to the campus to meet old friends and view improvements on the college campus. A full day of entertainment is planned for the Ex-Students, beginning with a parade, banquet, football game, social club and organization parties for the Exes, and the day is climaxed with the Homecoming Dance. Meetings of the various county S.F.A. Clubs are held during the year and are a vital part of the entire program.

The Ex-Students' Association maintains an office at the college for the purpose of receiving and disseminating information about former students. It is the desire of the Association that each student feel free to call upon this office for service while he is off the campus and to make it his headquarters when visiting his Alma Mater.

The Student Congress, acting as the governing body for S.F.A., has striven this year to bring about an increased interest in student affairs and the realization of the possibilities of an active and unified student body. The group in 1951-52, under the direction of President E. J. Ritchey, has served as a channel through which complete cooperation with the faculty and administration has been achieved.

The Stone Fort, annual publication of Stephen F. Austin State College, has been published this year for the twenty-eighth successive time in an effort to present a true, lasting picture of S.F.A. in 1951-52 for the student body. Editor-in-Chief Loretta Heath, aided by Assistant Editor Pat Fairchild, has yelled orders to hard-working staff members; while Betty Stoker, backed up by Billy Bates, has striven to keep the advertisers happy. With the entire staff working together to brave all storms and enjoy all laughs, the job of publication has not been a hard one—especially with such able assistance as that given by sponsor Weldon Wright and Faculty Advisors Lawrence Franks and Edwin Gaston, Jr.

If each person reading through this book in the years to come finds added pleasure in recalling memories of this school year, the aim of the staff will have been accomplished.

Seeking to help every Baptist student to find the true relationship that should exist between him and Christ, that is, first place, the Baptist Student Union sets forth a program of activities which provide opportunities for service, spiritual growth, and Christian fellowship. While serving as a means of pointing the Baptist student to the vital need of serving Christ in the local Baptist churches while at college, the BSU seeks to serve also as a medium for presenting the Christian challenge to the entire campus.

Its program includes morning watch each week-day, a period of devotion and worship; visitation to shut-ins, a worship service held in the homes of those who cannot attend church otherwise; socials, planned periods of Christian fun and fellowship ranging from banquets to weiner roasts; visitation to students, witnessing for Christ by enlisting others and telling the gospel message; Bible study, a period set aside for the study of God's Word together; Y.W.A., a missionary program for Baptist girls.

Other activities of the year included presentation of a play, "Challenge of the Cross," to various churches; publication of the Student Directory; working toward First Magnitude, the highest honor attainable in BSU work; reading the "Baptist Student," a magazine for college students.

A Baptist student automatically becomes a member of the BSU upon joining a local Baptist church or one of its organizations, but every Baptist student who enrolls in college is welcome to participate in any of the activities sponsored by the Baptist Student Union. The year 1952 finds the Lambda Gamma Social Club one of the most outstanding clubs on the Stephen F. Austin campus. Organized in 1948 as the Lufkin Club, the club has made great strides towards its goal of promoting cooperation, leadership, character, and scholarship on the campus. The club officers and members promote fellowship, friendship, and goodwill among the individual students.

Among the traditional activities of the club, the Sadie Hawkins Day Dance with its heard growing contest and the Showboat Dance, which is sponsored jointly with the sister club, the Sigma Gamma Club, are perhaps the most well known. Other club activities include the annual Thanksgiving turkey raffle, rush parties, stag parties, and the dinner dances.

One of the new activities undertaken this year was the formation of a bulletin sent out to ex-members to inform them of coming club activities. The club has a rather small but very active alumni group.

The ranks of the secret No. 9 Committee, which is a permanent membership committee, is growing steadily with six new members being appointed each year. Maurice Hubbard is the permanent chairman of the group.

Officers for the year were Connie Mack Courtney, president; Gene Shaw, vice-president; Frank Birmingham, secretary; Calvin Hancock, treasurer; Elwood Allred, sergeant-at-arms; Len Neff, publicity director; Eddie Ray, parliamentarian; Gilbert Wofford, athletic director; Carey Sayers, chaplain; and Donnie Courtney, health officer.

JIMMY MAHONEY	<i>President</i>
RUDY MILLARD	<i>Vice-President</i>
BOBBY HART	<i>Secretary</i>

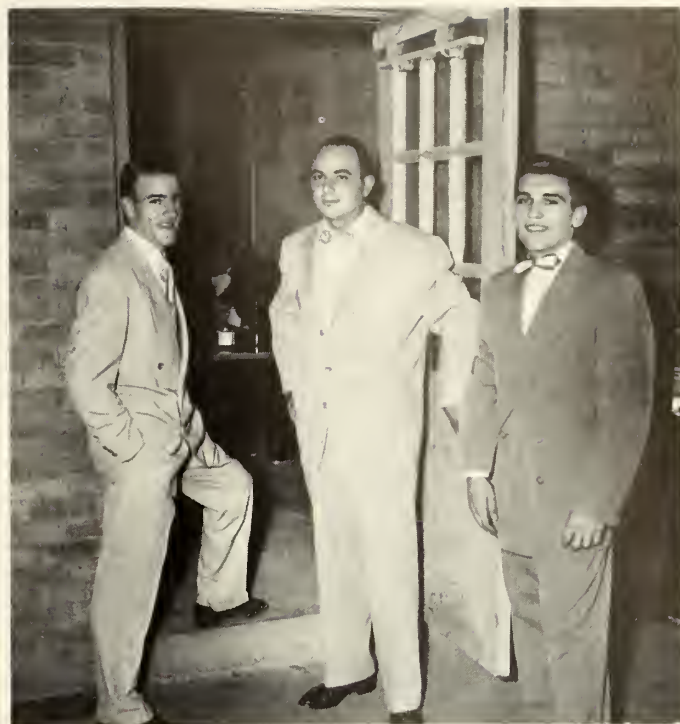

The Forester Club was organized in September, 1943, with a group of 14 boys as the original signers of the constitution. Since that time the aim of the organization, as set forth in the constitution, has been "to create a more fraternal relationship in our college and to found an organization which will be an asset to the social life of Stephen F. Austin State College."

With this as their goal the club has marched forward, knowing that it has achieved that virtue so earnestly desired—honor.

Always strong in intramural sports, the club this year is the defending champion of the coveted All-Round Sports Trophy. This is a trophy given to the team which compiles the most points in all intramural play.

Club officers for the fall semester were Jimmy Mahoney, president; Rudy Millard, vice-president; Bobby Hart, secretary; Sonny Johnson, sergeant-at-arms; Hubert Poskey, reporter; Joe Frank Hignett, chaplain; and Bobby Burrows, scavenger.

Boasting such variety of leaders as the student body president, class presidents, cheerleaders, professional club presidents, student congress representatives, and an all-conference performer in football, the club can be certain that "FORESTERS FOREVER" will continue to lead the way here at SFA.

For twenty-five years the Sawyer Club has been a top boys' club on the SFA campus. Known for their school spirit and loyalty to the college, members of the organization attend all athletic events dressed in their white shirts and purple ties and carrying their ax handles.

Among the outstanding activities sponsored by the club each year are the Apron-Overall Dance, the Christmas Dinner-Dance, the Bowery Ball and the Pine Burr-Sawyer Picnic.

The Sawyers rank as a top contender in intramural sports each year. For the past three years they have won the basketball tournament and now are able to keep the trophy.

From the roll of the Sawyers can be found many school leaders. Among them, past and present, have been president and vice-president of the student body, student congress members, and athletic leaders.

Organized in January, 1938, the Royal Order of Austinites was founded for the purpose of sponsoring school projects for the pleasure and benefit of the student body. The small gold emblem of the Royal Order of Austinites is emblematic of the four aims of the organization: Leadership, Scholarship, Character, and Fraternity.

The Austinite Club sponsors a varied calendar of activities each year. These activities include dances, picnics, parties, and entering competing teams in intramural sports. One of the most outstanding dances during the fall semester is the Austinite Annual Christmas Dance. Perhaps the most colorful activity is the annual "Pie Night" each spring semester, with its gags and slap-stick it has constantly won acclaim as one of the top activities of the year.

As a service to the student body, the Austinite Poll periodically gets the students' viewpoint on pertinent questions and the Austinite Club conducts other polls and elections. The Austinites are always eager to contribute their efforts toward any worthwhile project that is of interest to, or for the betterment of, the student body and the school.

It is through service and leadership that we hope to continue to retain a position as one of the leading organizations on the campus.

"All hail Sigma Gamma" begins each meeting of the youngest and one of the fastest growing clubs on the S.F.A. campus. Presiding at the meetings is Barbara Hanka, assisted by Susie Cain. Geri Long reads the minutes each time, and Betty Sue Richards takes care of the money. Carolyn Keeling keeps the pledges in line while Virginia Richey keeps order among the members. Louise Wilson sees that the Pine Log is informed of the club's activities as Bobbie Hickman and Jo Anne Smith take care of the scrapbook. Sponsor of the club is Mary Ruth Dillen, attractive secretary to the dean of the graduate school, and club mother is Mrs. O. D. Tucker. Little Danna Tucker is club mascot.

Honors on the S.F.A. campus to which members of the Sigma Gamma Club have been chosen include the following: Jeanette Hayes, Pat Townsend, Dorothy Ward, and Vera Joyce McLeroy were elected to Alpha Chi; Pat Townsend and Dorothy Ward were chosen to Who's Who; Doris Pittman, junior favorite, led the Lumberjack Band; Betty Brookshire was a twirler; Tommie Johnson and "Boots" Goodwin were cheerleaders; Barbara Dillen and Tommie Johnson were Homecoming duchesses; and Doris Pittman and Betty Schochler were beauties.

Outstanding events for the year included the fall rush tea, the spring Indian Pow Wow, the Christmas Dinner-Dance, and the Lambda Gamma-Sigma Gamma Show Boat Dance.

This year the Fideles have had one of the most outstanding years in the history of the club, with the members ranking high in social positions and in activities. Ruby Childers is head of the organization, Faye Bennett is her assistant, and Juanita Vick acts as secretary-treasurer. Pat Stephens keeps the pledges in line, Loretta Heath reports the news, and Mary Lou Duham keeps order by collecting nickels. Miss Bettye Doss, with her pleasing personality and suggestions, keeps the club going.

This year the Fideles have distinguished themselves in many fields, such as furnishing homecoming queen and number one beauty, lovely Aleene Jackson. Serving as duchesses in the homecoming court were Ruby Childers, June Barton, Dorothy Brunner, Billie Jo Childress, Frances Hill, Pat Stephens, Pat Fairchild, Mike Butte, and Doris Talley. Faye Bennett helped lead the student body in yells, while Aleene Jackson, Frances Hill, Ruby Childers, and Carolyn Simpson were among those placing in the Austinite Poll. Ranking high scholastically were Loretta Heath, Betty Stoker, Fannie Baldwin, Sue Ferguson, and Doris Talley, who were elected to membership in Alpha Chi. Sue Ferguson was elected club beauty, while Lela Mae Chism represented another organization in the beauty parade. On student publications the Fideles furnished Loretta Heath as editor of the Stone Fort, Betty Stoker as Stone Fort business manager, and Dorothy Brunner as editor of the Pine Log.

The outstanding Fidele events of the year include the Ranch Rushee Party, the Forester-Fidele Hallowe'en Ball, the tea for the exes, the Christmas Dinner Dance, and the Fidele-Forester Spring Festival, which is the biggest event of the spring.

With such outstanding members and activities can anyone help but sing, "OH, YOU'LL LOVE A FIDELE—A FIDELE SO KEEN?"

Organized in 1929, the Pine Burrs' purposes are to promote service to the school, boost the college spirit, and aid the student body as a whole. The eventful Pine Burr year begins with a rush tea and is followed by the Night Club Dance with its brief-skirted chorus line. Homecoming brings the Pine Burr Exes Tea and the annual float, which won first place this year. At the Homecoming coronation this year were Princess Sylvia Jones and Duchesses Miriam Whitton, McXie Whitton, Sara Lou Mayes, and Florence Jameson. During the Christmas season the club sponsors a dinner-dance, and on Valentine's Day it has a spring formal. The "Big and Little Sister" dinner is given each year in honor of the pledges and is followed with the annual Pine Burr-Sawyer picnic. The year is closed with a Senior Dinner-Dance.

Other than these activities, the Pine Burrs are outstanding in social positions. Carolyn Lippard is in Who's Who, and Billie Sullivan is Senior Favorite. Twirling in the band is D'Juana Jones and Doris Jean Robinson. In the beauty parade we have Rheta Shephard, Doris Calloway, and Sara Lou Mayes. The Pine Burrs have also won the assembly and scholarship trophies for the past two years. Mrs. Doris Richardson, an ex-Pine Burr, is club sponsor.

As the tow-sack clad procession of pledges shouts, "I Wanta Be A Cute Pine Burr," the whole organization proclaims, "PINE BURRS FOREVER."

"Oldest in years! Youngest in ideas!" This is the unsung expression ringing from every niche in the wall of the Amities' standard meeting room on Tuesday nights. Amitie was the first girls' social club formed on the S.F.A. campus, and it has never lost its sparkle. This has been proven countless times—one of which was with the presentation of the original "Hawaiian Isle" summer dance recently. The club showed its lively school spirit in helping to make the 1951 Homecoming a success with its float and dinner for its exes, which were carried out with the "Hats off to the Exes" theme. Christmas spirit was symbolized by a dinner-dance and by a joint Austinite-Amities Christmas Dance for the entire school.

Individually, the Amities have brought honor to the club by being selected to represent various clubs and organizations as duchesses and beauties, with one of the members being voted a princess in the annual Homecoming coronation.

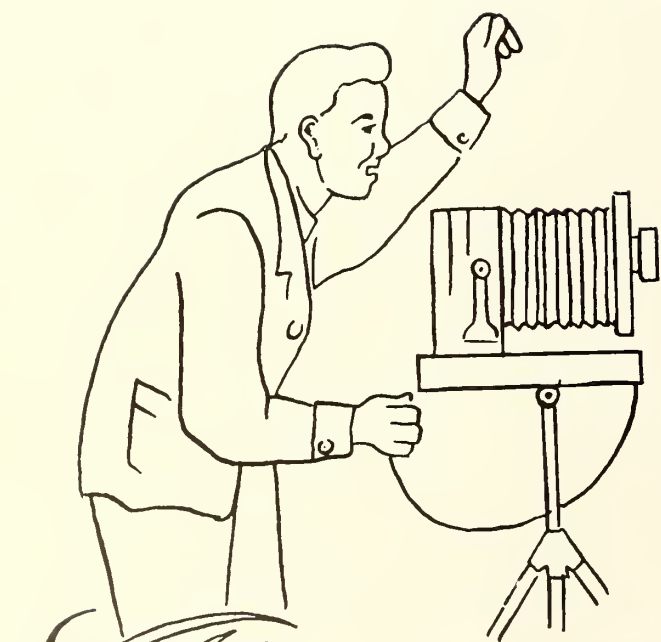

Together, the members strive to make the club better than ever! Yes, every Amitie proves herself to have three qualities: Friendliness, Loyalty, and Good Sportsmanship.

CHEERLEADERS AT S.F.A.

The Lumberjack cheerleaders, true to tradition, have been on hand to lead the student body in yells at all football and basketball games and at all pep rallies. In their flashing purple and white uniforms, they have led our teams to battle and have then proved to be faithful in either victory or defeat. Their voices, the loudest of all, are still ringing in our ears as they shout, "Fight, Jacks, Fight."

Back row: Bobby Beard, Hubert McCrary, Jimmy Hooper.

Front row: Elizabeth "Boots" Goodwin, Faye Bennett, Tommie Johnson.

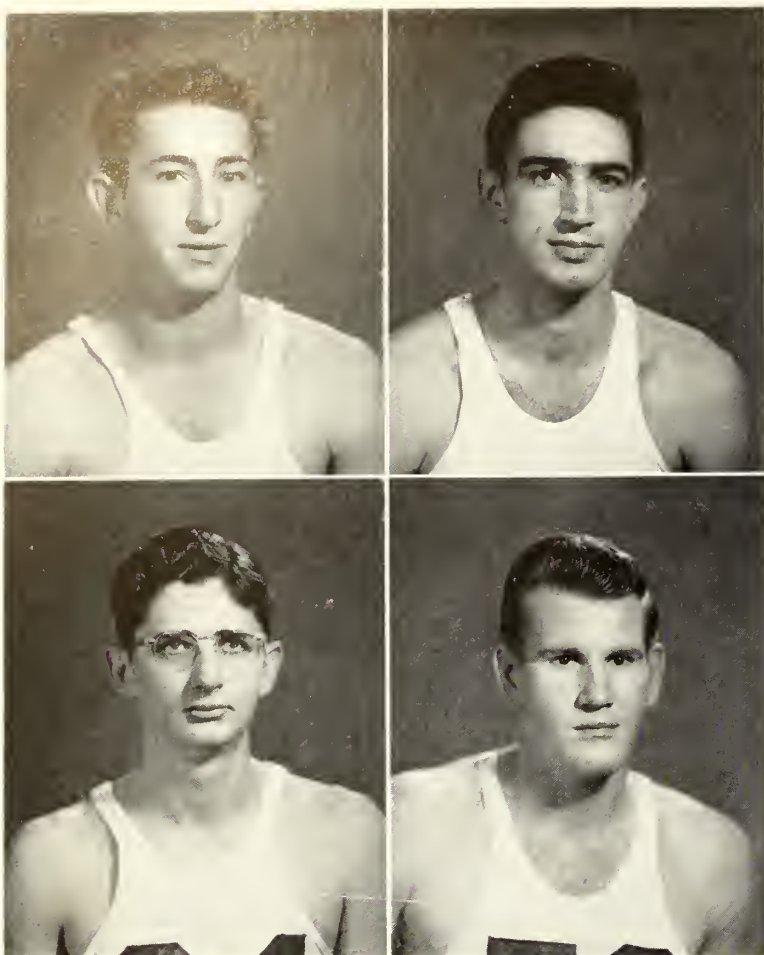

The 1951-52 season found the Stephen F. Austin State College basketball team compiling its best record in several years. Although Coach Glen Rose's Lumberjacks failed to win the Lone Star Conference championship, finishing behind the great Southwest Texas team, they showed the best record in the conference for an SFA team since 1948-49. And the number of games won all season by the Axmen surpassed the total for any year since 1940-41.

The 1951-52 basketball season at Stephen F. Austin State College saw Coach Glen Rose completing his fourth and final season here. Shortly after the end of the campaign, in which his Lumberjacks compiled one of the most impressive records in years, the soft-spoken coach resigned to return to his alma mater, the University of Arkansas, as head basketball coach. There, Rose will again take over the job which he brought fame to before World War II. At Arkansas in nine seasons, Rose-coached teams won five Southwest Conference championships. The many students and countless other friends of Coach Rose, regretting to see him leave, wish him yet continued success.

Dogged determination and a real will to win characterized the 1951-52 Lumberjack basketballers. Often outmanned, they were seldom outfought. In more than half of their games, the Axmen surged from behind in the third and fourth quarters to turn what appeared to be certain defeat into victory. As their noted Coach Glen Rose said: "The boys have been money players, coming through almost every time when the pressure was decidedly on." In addition to the starting five—Ted Asimos, Jackie Bond, Herbert Branch, Gerald Cecil, and Leonard Lamb, three top-notch reserves reflected this determination and will to win. The spot play of Paul (Buster) Alford, Bobby Flanagan, and Kelsey Moore, who did yeoman service spelling the starters, saved more than a few games. And, of course, those players seeing limited service in games yet performed invaluable in practice and many other ways, including: Keith Barnett, Donald Bone, Dale Gosnell, Enoch Herrington, Gerald Heffernan, and Leroy Lusk. To them all: a rousing WELL DONE!

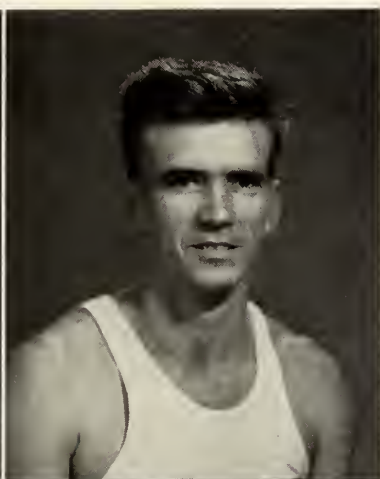

Leonard Lamb goes high to lay in basket against Centenary in Shreveport.

In leading his team in scoring this season, Ted Asimos passed the one thousand mark for his four-year career at Stephen F. Austin State College. The achievement placed the all-conference guard from Texarkana in a select class with former Teammate James Johnston. Only those two have scored 1,000 or more points here. During the 1950-51 campaign, Asimos enjoyed the distinction of scoring more points in a single game—41 against Rice Institute—than any other player in the nation. Many other honors, including scholastic, have been won by the Alpha Chi athlete. Sharing scoring honors this year with Asimos have been Gerald Cecil and Leonard Lamb, second and third-ranking point-makers, respectively.

Tireless Ted Asimos, number 53, takes one out of the hands of a stunned Centenary Gent. Better luck next time, fellow!

TRACK

The Lumberjack track team, under the direction for the second straight year of R. W. Parker, continued to show improvement. It did so, too, in the face of some of the toughest opposition faced in years by SFA thinly clad. During the season, the 'Jacks participated in such meets as: Border Olympics in Laredo, Fort Worth Recreational, Southwestern Louisiana Institute in Lafayette, all-college in San Marcos, Texas Relays in Austin, Houston University in Nacogdoches, and Lone Star Conference in Beaumont.

TENNIS

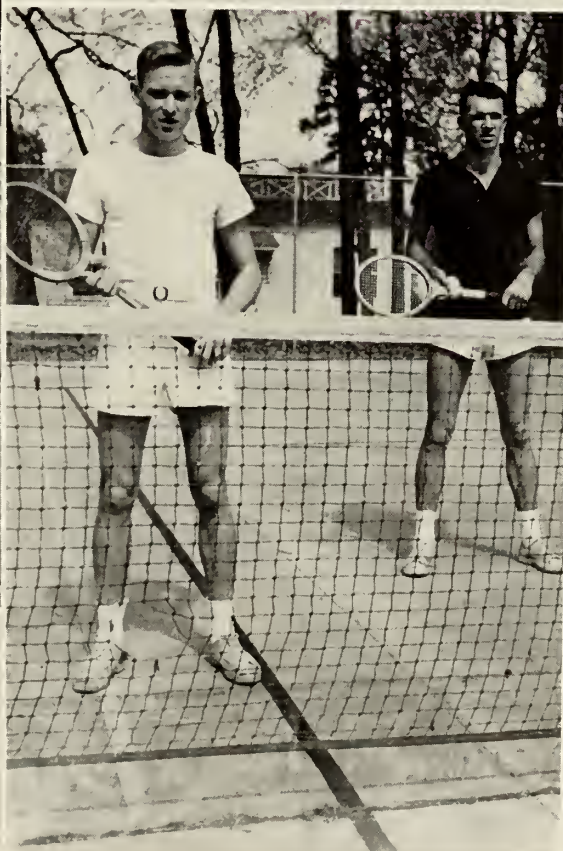

Lettermen Truman Milling and Joe Pinson paced the Lumberjack tennis team this season. They took up where last year's fine team, unbeaten in regular play and high ranking in the Lone Star Conference matches, left off. And the season found the netters enjoying considerable success.

MEN'S INTRAMURALS 1952

The purpose of the intramural program for men at Stephen F. Austin is to provide good wholesome activities for those students who are not members of the varsity squad in the sport being played. A program is set up which includes football, basketball, volleyball, and softball.

The 1951 intramural championship was won by the Forester Club; however the activities this year have not been completed in all divisions.

Pictured here are shots of the intramural basketball action. Competition this season was keen among the thirteen teams entering the tournament. Included were the Sawyers, Rebels, Wettermarks, Austinites, Lufkin team, Campus Trotters, Foresters, Hungry 5, Porkers, Lambda Gammas, Roughnecks, Fast 5, and Jolly Jaxs.

The Forester team was runner-up in both the touch football and basketball divisions in 1952. The team includes (left to right) Truman Milling, Robert Goss, Joe Frank Hignett, Malcolm Rector, Bobby Beard, and Jimmy Mahoney.

The Hungry 5, always a top contender in intramural competition, won third place recognition in the basketball competition this year. The team was composed of (front row) W. H. Wharton, James "Moe" Linton, James Campbell, and (back row) Bill McCoy, R. G. Dean, Richard Johnson, Billy Jack Worsham, Taylor "Sonny" Johnson.

WOMEN'S SPORTS

The Women's Recreational Association is open to all college women. This organization sponsors an intramural program in volleyball, speedball, basketball, field hockey, softball, and tennis. On the completion of the tournament in each sport an "All Star" team is selected and one intercollegiate game is played against a neighboring state college which has a similar program. "W.R.A." is a member of the Texas Recreation Federation for college women and sends representatives to the annual convention.

The Purple Aces, winner of the intramural basketball tournament, consisted of Shirley Grigsby, Sue Ashwood, Jo Bess Jennings, Betty Durrett, Doris Rae Lavine, Virginia Brown, Charlotte Brazil, Barbara Moody, and Rheta Smith.

Winning recognition this year for displaying the best sportsmanship in the basketball tournament was the Amitie Team. Pictured are (front row) Helen Gee, Shirley Head, Gay Sizemore, Margaret Irwin, Nell Bowman, Doyle Thompson, and (back row) Dorothy Warren, Linda Wilson, and Florence Tullos.

Winner in the spring track tournament for all girls' clubs on the campus was the Fidele Club. Stars on the team, as shown at the right, were (standing) Billie Jo Childress, Shirley Weeks, Lela Mae Chism, and (kneeling) Frances Hill, who headed the list of individual winners with four first places.

WOMEN'S SPORTS AT S.F.A.

The Modern Dance Club is an organization which furthers the students' appreciation of dance as an art and furnishes wholesome recreation for all women students on the S.F.A. campus. Its direction is under the guidance of Miss Bettye Doss of the women's physical education department.

Among the activities of the organization this year have been the presentation of an assembly program for the entire student body, and a performance for the Homemakers' convention held here in the spring. The group has also performed at a Polio Drive benefit and at various campus events throughout the year.

Invitations have been extended the club to perform at high schools throughout Texas, including those at Orange, Vidor, and Livingston.

Stone Fort Editor's Message

As you, a representative of the student body or a supporter of Stephen F. Austin, have looked through this, the 1952 Stone Fort, I sincerely hope that you have found much to please you—much that you consider to be typical of S.F.A. If you think that a true, lasting picture of this school year is portrayed in the book, then the aim of the staff has been fulfilled.

The publication of this annual has rested largely on the excellent cooperation of the student body, faculty members, and advertisers; however special attention goes to Weldon Wright, sponsor, who has helped the staff over many rough spots with his calmness, faithfulness, and efficiency. Sincere thanks goes to Robert S. See and staff of the Shreveport Engraving Company; Dustyn Zimmerman and Mrs. Mabel Faulkner, commercial artists who did the art work; Edwin Gaston and Lawrence Franks, faculty advisors; and George Shorter, who made the excellent photographs. The assistance, patience, guidance, and diligence of these have made the editorship of this book an enjoyable, profitable experience—one which I will always proudly remember.
